Keynote Speaker – Paul Martinez

Paul Martinez is currently President of Dynamic Solutions USA, LLC. Dynamic Solutions is focused on helping leaders, teams and organizations be aware of and actualize behaviors that will make them great.

Dynamic Solutions, located in Colorado Springs, Colorado, was created in 2008. Its clients range in size from local non-profits to multinational organizations. The work of Dynamic Solutions is creating and delivering customized leader, team and organizational development training programs in a number of areas including (1) leadership development; (2) high performance teams; (3) emotional intelligence; (5) change management; (6) trust; (7) dialogue and communication; (8) conflict management; (9)

assessments and (10) executive mentoring and coaching through the Center for Creative Leadership.

In addition to program design and facilitation, Paul is a member of the National and Colorado Speakers Association and speaks on leadership, organizational development, and personal development.

EDUCATIONAL BACKGROUND

Paul holds a BSBA from the University of Colorado; a Master of Science in Management from Regis University; and is currently pursuing his doctorate of Philosophy in Organizational Development and Leadership through the University of the Rockies located Colorado Springs.
